PINEHAVEN SMALL BUILDING FEATURES

- **OPTIONAL TREATED TIMBER FLOOR KIT**
Allowing you to place the small building directly onto a level surface or choose to place on your own flooring system such as a concrete pad.
- **FIXED AND OPENING WINDOWS AVAILABLE ON ALL SMALL BUILDINGS ***
Windows are standard on selected models, or add them to your Pinehaven small building for extra light or airflow.
- **LOCATION OF WINDOW(S) AND DOOR(S) CAN BE IN A POSITION OF YOUR CHOICE ***
At the time of placing your order you can choose to add extra, or delete standard windows in your Pinehaven small building. You can also place the window(s) and/or door(s) in any wall panel position in the Pinehaven small building.
- **LONG LASTING COLOURSTEEL ROOF**
Standard colour 'Karakara,' other NZ Steel colours available on request (excludes models with cedar roof).
- **EASY ASSEMBLY**
With basic DIY skills and your tools, most Pinehaven small buildings can be assembled within one day. Pinehaven will provide you with all nails, screws and hardware required to assemble the building, as well as a full set of assembly instructions to guide you.
- **PRE-MADE WALL PANELS**
Clad with weatherboard or trellis, makes for easy assembly, just screw each panel together.
- **TREATED TIMBER TO ENSURE LONG LIFE**
All timber is pinus radiata and treated to appropriate treatment grade relative to the use within the small building. Weatherboards LOSP / H3 - Internal timber framing H1/H3 - Floor bearers H4 - Floor boards H3.
- **READY FOR PAINT OR STAIN**
We recommend you paint or stain your Pinehaven small building - this will prolong the life of your small building. (Assembly instructions will provide more detail).
- **COMES IN KITSET FORM**
Allowing your Pinehaven small building to be transported anywhere in NZ.

* Applies to the Pinehaven Shed range only.
